TERM 2 2019 – FACT SHEET

New runners will get a summary of all the important things that you should be aware of before the Term kicks off. In this fact sheet, follow the interactive links to our website for further details.

A MESSAGE FROM VLAD

Dear runners,

Welcome and welcome back! At Runlab, we strive to be the leading training group and resource for runners. There is always a lot going on as we strive to give you access to the best sessions for your running.

Term 2 is always busy with many runners competing in some large events particularly the Ultra Trail Australia and our regular training helps you best prepare for these events. Specially for Term 2 you will get 25% off BSRF and SH10 race entry and 2 runners that enter the Term will randomly receive a \$200 + Salomon pack!

A question I hear others mention very frequently is this “Is Runlab only for ELITE runners”? I can honestly tell you: NO, it isn’t. What it does require however is the mindset and commitment of an Elite athlete. We have groups of varying levels and different types of sessions, however we demand effort and commitment if you want to improve.

Am I good enough to train with Runlab?

Yes, we have sessions that cater to all levels of running. We like to follow the principle that if you are driven and really want to improve, you have come to the right place. We have standards, which can be viewed under [Myrungroup](#) and [Mytrailgroup](#)

When and where are the groups?

We train before and after work most days, and days can vary to suit your lifestyle
– i.e. 1 week you may choose a Monday session and the next have to train on Wednesday as an example. Also most of our serious runners pickup the 2 run sessions a week option and bundle it with a Runstrong or other product.

Will I learn to become a faster and better runner?

Absolutely! we'll not only push and motivate you in the group but we will teach you exercises that will make you more efficient with your running

Super Session Term 2 more details coming soon,

[Details on website](#)

TERM 1 TIME TRIAL

At the end of the Term (scheduled to best fit in with in with any possible targeted events) we run one 3km time trial only per area. We do this to allow for as many runners as possible to come together and run against each other in a friendly competitive environment. It also allows runners to meet runners from other groups that they wouldn't necessarily see through a term

Dates are communicated within weeks 1-5 of the Term so that you have time to be organised for that week.

Thanks to our valued partners we have an allocation of prizes awarded in the Term ending super session. The value of these packs is significant and can range up to over \$300 in value. Now that's pretty special. For each of the three groups Sydney CBD, Central Coast and Newcastle we have a minimum of Male/ Female Time trial winners AND 2 coaches awards*. The award changes based on partner allocation.

→ Time Trial and Coach Awards Terms and Conditions

An individual cannot win fastest TT in consecutive terms and only once yearly! If your in the Elite group your time won't impact other runners receiving fastest TT and you will receive a separate award at Runlab's discretion and there may or may not be separate Elite awards. Must have entered a full term (not casual) AND enter the following Term when the prizes will be given. In each super session there must be a minimum of 3 Male and 3 Female runners for awards to be allocated to that group.

HOW TO STAY UP TO DATE?

This is one of the most important sections for all our runners. Whilst we have a “usual” session location and or time for our groups, there are weeks where we may change the location slightly to best undertake a specific session, or we may also be forced to make a change due to the weather for example. Keeping this in mind will ensure that you don’t miss these notifications.

WEEKLY E-NEWS

When you register, you are added to our weekly e-newsletter. Every Friday or Saturday in the Term you will get an update from the week gone and the upcoming week. So please check that you provide your best email address and ensure this doesn’t go to your junk email folder.

Types of Contracts explained

If you choose the contract option there are up to four levels. Each level allows you to pay in either monthly payments (3 times) or weekly repayments (12 times), the difference in price paying by contract as compared to straight up are marginally more expensive. After the 3 months the contract expires and will need to be purchased again the following term. The contract levels are.

BASE

Base is if you only do 1 session a week. This can be Myrungroup/Runstrong. Base Monthly is if you want to pay the term over 3 Monthly pays. Base Weekly is if you want to split over 12 weekly pays.

PROGRESS

Progress is if you only do 2 same sessions a week. This can be 2 Myrungroup or 2 Runstrong sessions per week as an example Progress Monthly is if you want to pay the term over 3 Monthly pays. Progress Weekly is if you want to split over 12 weekly pays.

EXCEL

Excel is if you only do 2 different sessions a week. This can be Myrungroup and Runstrong for example. Excel Monthly is if you want to pay the term over 3 Monthly pays. Excel Weekly is if you want to split over 12 weekly pays.

The last step is then adding yourself to a class. This is the most important step, especially in the first week of a Term. Buying your group gives you credits, these credits are used to attach yourself to a class – See the Schedule. This allows us here at Runlab to see how many people are going to each of the sessions.

Note: Contracts cannot be used to pay for MYTRAILGROUP unless you are doing the Tuesday am Maroubra or Thursday am Merewether (These are 75 minute sessions and \$209, whereas the Saturday and Thursday pm options are \$239)
