AWARENESS

RUN LAB

Welcome to TERM 4 2020 FACT SHEET

A MESSAGE FROM VLAD SHATROV, Runlab Founder.

Welcome and welcome back! At Runlab, we strive to be the leading run training group and resource for runners.

Bring on term 4. We expect to be fully 100% operational across all locations with restrictions having eased and the Covid-19 situation being controlled. This is great news, it's a warmer Term of course and we will continue to incorporate online and on the grounds sessions.

The biggest change this Term is the a focus on SELF IMAGERY, shifting from Performance in Term 3. This means giving you strategies to grow your self image and more

Consistency is key for improved running. And so are quality running and strength sessions with added drills to improve form, we will bring this to you over the 10 weeks of Term 4.

A question I hear others mention very frequently is this "Is Runlab only for ELITE runners"? I can honestly tell you: NO, it isn't. What it does require however is that you want to improve and are willing (with our assistance) to give that a shot.

Welcome to TERM 4 2020 FACT SHEET (Continued)

How many sessions should I do with Runlab a Week?

Well that's partly determined by how many groups are in your region, and this is something we are looking to increase all the time. It also depends on your running history and your running goals. But on average most runners training for events train 6+ times a week and many do more than that.

This would be a combination of shorter easier runs, possible gym strength work and a weekly longer run usually on the Weekend. An Ideal mix would likely include two targeted run sessions and a Strength sessions every week in addition to your other training.

We offer flexible pricing per session which adjusts downwards if you do more than 1 session/week

Flexibility! IF you miss your weekly session YOU can swap to another group or make it up the following week, no worries!

Vlad Shatrov
Runlab - Director | Coach | Developer

Term starts Monday 12th Oct.

Returning runners there is no need to complete the Expression of Interest form. You will be notified of Term entries being OPEN on the 1st October

New runners will get an email notifying you that the Term can be entered from 1st October if you complete the Expression of Interest form on the WEBSITE

Please Note - When you purchase your desired session/s you have credits which you then use to book into your actual chosen class. This is important because we have limited class sizes, to guarantee your spot, we encourage you to enter early.

Am I good enough to train with Runlab?

Well it's totally up to you. Our culture sets a standard, and our tagline "Achieve your impossible" goes to the fact that the people that run with us are aiming to really improve and get a result.
